SOCCER FOOT BALL SEASON OPENS

Taftville and Plainfield Were Victors in Bulletin Cup Competition—Taftville's Goal Tenders Have Made Great Record—State Hospital Won Fifteen Inning Game—Sachems Defeated Baltic.

In the opening games for The Bulletin Cup, Taftville and Plainfield were the victors over Baltic and Sterling. Both games were witnessed by very large crowds and brought much encouragement to the managers.

Taftville vs. Baltic.
 The Taftville and Baltic football teams met Saturday afternoon on the Providence street grounds. Taftville, who was the home team, upheld their reputation, winning by a score of 3-0. The home team showed their superiority against their opponents from start to finish. The play was somewhat even for the first 20 minutes; then Jess Green-lan opened the scoring with a fine dropping shot. Taftville forced a corner which was nicely centered by Bob Plunk, who was the put Taftville forward in the lead. After that the home team had matters their own way until the whistle blew for time. Taftville found Taftville in the lead by two clear goals.

On resuming play the visitors tried hard to score but could not get through the home defense. A Finlay-

PEERLESS LEADER HAS RESIGNED FROM YANKEES
 Chance Showed Pupilist Spirit in an Argument with Devery.

Frank Chance has resigned as manager of the Highlanders and his resignation has been accepted by Frank Farrell, owner of the club.

This startling piece of news was revealed right after the game between the Highlanders and the Athletics at the Polo Grounds Saturday. After Sweeney had driven the ball into the upper tier of the stand, winning the game, Manager Chance called the newspaper men into the clubhouse and explained to them that he had sent in his resignation to President Farrell while the team was in Washington.

While Chance was giving out this statement to the reporters, President Farrell and "Bill" Devery, former Chief of Police, and part owner of the Highlanders, came in. Farrell and Devery got into a heated argument with the "Peerless Leader," and Devery called Chance a "quitter." Chance would not enter the clubhouse by this time, took a swing at Devery and missed him. Players and reporters then chased Chance away and he left the club house.

Neither President Farrell nor Devery would give out any statement in regard to Chance's resignation. It was learned, however, that the "Peerless Leader" was not satisfied with the conditions that the club had offered him. It was rumored some time ago that he was ready to throw up the reins.

Not so long ago, immediately after the game between the Highlanders and the Athletics, Manager Chance wanted Arthur Irwin, the veteran scout, discharged from the club. Chance claimed that the player brought to him by Irwin were not of major league calibre and insisted that he be discharged. When Irwin refused to consider such a proposition and told Chance in plain words that Irwin would remain as scout.

The Kraft deal also figured prominently in a row a few days later between Chance and the club. When it was announced that the Highlanders had purchased Kraft from the New York team, Chance was reported to be replacing Mullen at first base, the newspapers came out next day demanding that Mullen be kept on, and criticizing the "Peerless Leader" for wanting to replace him.

The next day Chance said that he had no intention of taking Mullen off first base and that he was running the team and not the club. He wanted to know where the information came from that Mullen was to be replaced, and when informed that it was given out by Tom Davis, secretary of the club, he said that he was being hampered in running the team. He also said that he would run the team from the bench and that he would not stand for any interference from the club.

All this leads up to the real cause of Chance's resignation. When Ray Caldwell broke training on the last Western trip Manager Chance imposed a fine on him. While the team was in Boston the pitcher again broke training, and this time Chance taxed him \$300.

It was said that Caldwell had already signed with the Buffalo team of the Federal League and that he had already received \$5,500 in advance money from the owners of the Buffalo. While the team was in training this spring Caldwell was fined several times by Manager Chance for his misbehavior. While nothing definite could be learned by the Bulletin, it is believed that Caldwell's resignation was the result of the fine imposed on him.

In some way or other, Manager Chance learned of this and after he imposed the fine on the pitcher in Boston, he decided to resign. President Farrell said that it must stand under all conditions. FOR THE CHAMPIONSHIP OF NEW ENGLAND.
 Planters and Lawrence Open Series Tuesday.

The Planters, champs in the Eastern association, open a series with Lawrence for the title of New England champion on Tuesday. Morton F. Plant, who has been backing the club, gave each player a token of \$50, and he has also agreed to divide the gate receipts in the championship games with his team.

The Planters have closed one if not the most successful seasons at both the first and second innings of the start it looked as if the rag would rest in the Whaling town. The grand showing that they made under the guidance of Manager Gene McCann, has stirred the old time baseball enthusiasts of this city, making them long for the re-establishment of the national game here.

STATE HOSPITAL VICTORS IN FIFTEEN INNING GAME.
 New London Independents Lost On Sullivan's Error.

The longest, fastest and most sensational game of ball played at the hospital was seen Saturday afternoon when the Hospital defeated the New London Independents 1 to 0 in a fifteen inning game.

The game was marred by the rowdy actions of Sullivan who started to mix it up with his fellow team mates, which certainly showed the lack of sportsmanship and disgusted the crowd.

Hourigan was opposed on the mound by Daniels who pitched good ball but was not in it with the "spit ball" king who had the opposing heavy hitters at his mercy.

The game was full of thrills and excitement. It was anybody's game until the final. Each team had several chances to score but were checked off by fast fielding.

The feature of the game was the fast fielding by Hockenbrocht and White. In the final inning, Chase opened by singling to right. McGraw grounded to Leary, who made a good throw to Sullivan, but Sullivan dropped it in the dirt.

Why Should I Smoke TUXEDO?

TUXEDO is the logical smoke for millionaires because it is impossible to buy a better tobacco.

Tuxedo is the logical smoke for the economical man because there are 40 pipefuls in a ten-cent tin—making the average cost per pipeful only one-fourth of a cent!

To buy cheaper tobacco means to get less pleasure out of smoking, because it is impossible to make a tobacco as good as Tuxedo at less than the Tuxedo price!

Tuxedo
 The Perfect Tobacco for Pipe and Cigarette

Tuxedo is made of only the finest, choicest selected leaves of perfectly aged Burley tobacco. It is made by the original Tuxedo process which takes all the unpleasantness out of tobacco and leaves all the pleasantness in!

Tuxedo has a deliciously mild, fragrant aroma that is pleasant to all. It is the only tobacco you can smoke in a room full of lace curtains without leaving even a trace of an odor.

BALTIC
 State Police in Sunday Raid, Find Seven Men in Room Above Lasch's Saloon — One Escapes—Proprietor and Bartender Under \$200 Bond.

The state police arrived in Baltic about ten o'clock Sunday morning, and made a trip to the apartments in the Shannon building, over the saloon conducted by Cyrus Lasch, and surprised seven men in the rooms, in the act of quenching a severe thirst, probably acquired the night before in Lasch's saloon.

One of the gentlemen in the room said he was not feeling well and left the building before the police had a chance to corner the bunch. But Lasch did not get away so easily, and he and his bartender were locked up. Later in the day they were released under \$200 bonds.
